STATE BOARD OF AGRICULTURE.

LIBRARY  
Department of Agriculture  
OFFICIAL CERTIFICATE NO. 8.

BOSTON, Aug. 27, 1902.

To Whom it may Concern:

This is to Certify, That I have this Twenty-seventh day of August, 1902, completed the inspection of the nursery stock of the BAY STATE NURSERIES, grown at North Abington, State of Massachusetts, and find it to be apparently free from the San Jose Scale and other injurious insects and diseases which might be transferred on nursery stock from the nursery to the orchard or garden.

(Signed)

H. T. FERNALD,

Inspector.

## WHEN THE PACKING SEASON BEGINS.

**W**E usually begin digging and packing about the first of October in the fall and April 1 in spring.

## DIRECTIONS FOR SHIPPING.

*Parties ordering are requested to state explicitly the mode of conveyance by which they desire their stock forwarded.*

*When no route is designated, we exercise our judgment; but in no case do we assume any responsibility after packages are shipped, unless for our own mistakes. When losses occur by detention, claims should at once be made on the forwarder.*

## CONDITIONS OF SALE.

**First.**—The articles on the following list will be furnished at the annexed prices only when the quantity specified shall be taken. **Five hundred** will be furnished at the **thousand** rate; **fifty** at the **hundred** rate; and **five** at the rate per **ten**.

**Second.**—While we exercise the greatest care to have all Trees, Shrubs, and Plants genuine and reliable, and hold ourselves prepared to replace, on proper proof, all that prove untrue, *we do not give any warranty, expressed or implied*; and in case of any error on our part, it is mutually agreed between the purchaser and ourselves that we shall not at any time be held responsible for a greater amount than the original price of the goods. **No complaints will be considered that are not made within ten days after receipt of stock.**

**Third.**—The prices annexed do not include the boxes or bales. A charge equal only to the actual cost of the boxes or the material used in baling is made. No charge for conveyance to freight station.

Our terms are cash, unless by special agreement. We can ship by express, C. O. D., when desired, with charges for collection added to the bill,—provided 20% of the amount of the order accompanies the same as a guarantee. Said guarantee will be required only from parties with whom we have no business acquaintance. **All bills remaining unpaid December 1st in fall, and June 1st in spring, will be subject to sight draft without further notice.**

Address all orders and communications to
